

Little Leaders Academy

Nurturing Little Learners into tomorrow's Leaders

About LiLe

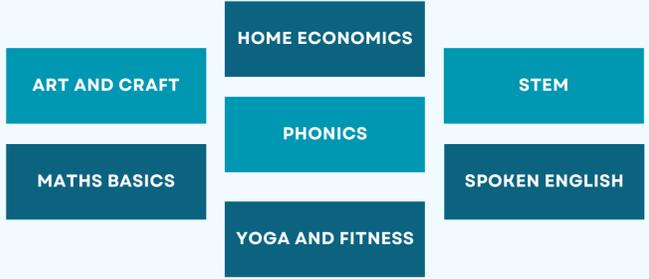

At Little Leaders Academy, we believe that learning doesn't stop when school ends—it grows stronger.

Our after-school program is designed to nurture young minds through a perfect blend of education, creativity, and fun. We offer engaging after-school programs that build confidence, communication, and creativity.

Through spoken English, art and craft activities, and even academic learning, children grow in a supportive environment. Our focus is on developing essential life skills and helping every child become confident, expressive, and ready for future success.

Meet our founders

INITHA EZHILAN
Chief Executive Officer

Miss Initha, co-founder of Little Leaders Academy, is an engineering graduate and accomplished educator with an international teaching diploma. A consistent high achiever, she integrates IT technology with education to create innovative learning experiences.

After a successful IT career, she transitioned into education with a deeper purpose. Her vision is to make learning creative, engaging, affordable, and effective while nurturing confident, future-ready young learners.

SOWBARNICA
Managing Director

Miss Sowbarnica R, co-founder of Little Leaders Academy, is a dedicated educator with a strong foundation in International Business and a postgraduate diploma in Teaching. She blends global business knowledge with a passion for nurturing young minds.

Transitioning from a technology background into education, she is driven by a vision to create engaging, student-centered learning. Her approach emphasizes creativity, confidence, and practical understanding, inspiring students to become future-ready learners.

Learn.
Practice.
Improve.
